## Photo Books in Sweden

*Published* is the first exhibition highlighting the photo book in Sweden, from the first examples from the 1860s, up to today's extensive publications. The exhibition includes two hundred books, based on three central themes in photography: *Society*, *Self*, and *Image*.

### Curator

Niclas Östlind, Valand Academy, in collaboration with Elsa Modin and Louise Wolthers, Hasselblad Foundation.

## Welcome to the opening 23 Februari, 6–8 pm

Regular artist talks, book releases and interviews with leading photographers, designers, collectors and publishers will be arranged as part of the exhibition. The programme will be updated in our digital channels.
