

Errata for the Licentiate thesis "The mechanical Paul trap in the upper secondary physics laboratory" by Sebastian Kilde Löfgren.

Published: May 2023

Page xvi, Line 8:

Error: "**Kilde Löfgren, S.**, Weidow, J., & Enger, J."

Correction: "**Kilde Löfgren, S.**, Méndez-Fragoso, R., Weidow, J., & Enger, J."

Page 41, Line 12 – 13:

Error: "Aspects critical to discern were frequency, trapping time, and effective potential."

Correction: "Aspects critical to discern were frequency, trapping time, model and effective potential."
